## FAITH COMMISSION - MISSION MATTERS

By Pat McKisson

### GRACE AND GRATITUDE

#### *GIVING THANKS - SHARING WITH OTHERS - LOVING OTHERS*

Now that the holiday season is almost upon us, our thoughts turn to trying to find that perfect gift. What can I get Uncle John who was a hydrologist and has everything he wants or Great Grandmother Elsa who grew up and lived her life on the farm and knows what an impact even a small patch of vegetables can have on feeding people? Oh what a struggle it is!

As Presbyterians, we are a people rooted in the grace of Jesus Christ. It is our gratitude for God's grace that moves us to join in God's mission in the world, with ministries of love and justice, reconciliation and peace. Through the PCUSA Mission Agency, your gifts can help purchase and distribute animals, the building of wells to provide life-giving clean water to entire communities, and ministries to youth and young adults and so much more here in the U.S. and around the globe.

Have you ever looked at the Presbyterian Giving Catalog? Take a look at it now. It is displayed on the bulletin board in the Gathering Area. See what an impact your donations can make: a piglet for \$40; a family of chickens for \$25; a bag of seeds for \$30; farming tools for \$10, rain water catchment system for \$75; winter heating fuel for Syrian refugees for \$60; and so much more. You will be surprised what a gift of \$10, \$20, \$30, \$40, \$50 or more can do in our world. Why not give a gift of hope and honor a special person in your life?

By now you have been able to enjoy our new hymnal, *Glory to God*. In addition, we now have a projection edition that is used for worship services in the Hall. Please consider making a donation to the hymnal fund to support this as well. We have raised about 54% of the funds needed to pay for these new hymnals. We invite members and friends to contribute funds to purchase a hymnal to be designated as:

- In Honor of,
- In Memory of, or
- Presented to North Presbyterian Church

Hymnals are \$20 each. Please look for order forms in the Gathering Space or office.

The Faith Commission would like to form a Banner Committee, to help with the changing displays and maintenance of our worship banners, as well as to bring ideas for any new banners. If you're interested in participating, please contact Kathy Carlson, Inez Kalle, or Garrett Colton.

Christmas is less than two months away. For choirs and other musicians it means preparations begin now! Music makes Christmas even more special for performers and listeners. Singers high-school age and older and instrumentalists with at least 2 years experience on their instrument are invited to join the Sanctuary Choir as we prepare for Advent and Christmas. There is no obligation to continue into the new year.

Singers can join us at rehearsals 7 - 8:30 p.m. Wednesdays, November 9 through December 21, with an extra rehearsal on Saturday morning, December 17. The enhanced choir will sing for Advent on November 27, December 4 and December 18 (choral service) plus Christmas Eve.

Instrumentalists, depending on what types of instruments people play, we'll try to put together an ensemble to play either at the Sunday, December 18 choral service or on Christmas Eve. Singers and instrumentalists should contact Mary Livingston at or [mary.livingstonmusic@gmail.com](mailto:mary.livingstonmusic@gmail.com) or [651-331-1089](tel:651-331-1089) so we can have music ready for you.

North Church is happy to announce the launch of a new out-reach ministry. On October 30, the Therapeutic Music Ministry was introduced to the congregation during each service. Therapeutic music can create a calming, soothing, healing environment for people with long-term or short-term health issues. Some examples of when/where therapeutic music can be beneficial are:

- during recovery from injury or surgery
- for people dealing with pain and/or anxiety
- for people living with chronic illness
- for people with dementia
- during palliative care and hospice
- during dialysis or infusion, and much more

Mary Livingston, North Church's choir director, is also a Certified Music Practitioner. She has been trained and certified through the Music for Healing and Transition Program (MHTP.org). During a one-on-one music session, she will use keyboard, accordion or harp - depending on the individual's needs - to create a healing environment as an enhancement to medical treatment.

The Therapeutic Music Ministry (TMM) will be coordinated by the Deacons. The program is starting as a three-month trial, November 2016 through January 2017, funded through the Deacon's budget. The service is available to members of the North Church congregation. During the trial period the focus will be on individuals of any age who are having health issues and/or are considered home-bound. After the initial trial period, it is anticipated that the TMM will continue with a dedicated budget approved by the Session. There was also an information table in the Narthex. Informative brochures can now be found at the "Welcome Station" near the church entrance.

November is the month when the Women of the Presbyterian Church celebrate their gratitude for God's blessings in their lives and the lives of the thousands of people they have touched through service. The Women's Praise Service will be held on November 20<sup>th</sup> at both services and the Thank Offering will be received.

The Thank Offering has long been a tradition of the Presbyterian Women. It has provided and continues to provide much-needed financial assistance to numerous worthwhile programs not included in ongoing General Assembly mission support. Each year, domestic and international projects are carefully and prayerfully selected by the Creative Ministries Offering Committee to help meet a crucial need.

The generosity of Presbyterian women and their families and congregations as demonstrated through their Thank Offering gifts help chosen recipients find real solutions for projects related to health, education, economic development, and needs of women and children everywhere.

As I thought about the Praise Service, it came to me that I should daily thank God for all the blessings I have received. At the same time, I remembered a bookmark a member of our church had given me. It described Harriet Tubman and who she was. She is one of many women who have made a difference in our lives.

Harriet Tubman was born in C 1820 as a slave and was sent to work as a nursemaid in 1825. She was only 5 years old! While reviewing her life history, I couldn't think of a better way to celebrate the role women have played in history than to share her story. This is who she was during her 93 years of living: Revolutionary, Scout, Riflewoman, Army "General", Nurse, Civic Reformer, Homeowner, Singer, Wife, Activist, Ashanti Tribeswoman, Storyteller, Liberator, Railsplitter, Orator, Maid, Organizer, Raider, Fieldhand, Strategist, Spy, Woman Suffragist. ~ *"May the stories of our namesake inspire you to create the next chapter in your story". (Information from the Tubman Organization)*

### **FALL GATHERING UPDATE:**

Twenty-four knitted baby hats and 29 hygiene kits were taken to the Gathering on Oct. 15. I would personally like to thank all the women who shopped for the hygiene kit items and helped put them together and Mary Seyforth for her dedication to babies everywhere. You are all an inspiration!

### **SUNSHINE BAG COLLECTION**

Have you been saving your change in your Sunshine Bags? The collection of your 'Sunny Day' contributions will be taken on November 20. Look for the special collection jar in the Gathering Area. If you belong to one of the women's groups you can bring your Sunshine Bags to your meeting in November and have your treasurer receive it and give it to Beryle Zimanski. This special 'offering' goes to benefit the Department of Indian Works at Interfaith Action of Greater St. Paul. Your 'change' will go a long way in helping our Native American brothers and sisters who call the Twin Cities home.

Presbyterians have a long history of building great communities through excellent education. There is a fact sheet on school district 622 levy request in the Gathering Space. Please cast an informed, prayerful vote.

Thanks for all the prayers, cards, meals, and kind words during my kidney surgery and recovery. I feel blessed to be a part of the North Church family. ~ Leslie York

Thank you to all the volunteers who donated food and helped with Helen Brink's memorial service. Your help was invaluable! ~ Joan Ruppel

Thank you for your contribution of \$500 and your help in supporting the safe school programming of local schools. You are helping children develop positive skills like empathy, respect, cooperation, and how to resolve conflicts peacefully. Bullying is being stopped and you are helping to create a more peaceful, less violent, world. ~ Dan McNeil, PeaceMaker Minnesota

Thank you for your donation of 64 pounds of food items and \$1000 in September to the North St. Paul Area Food Shelf. We really appreciate donations this time of the year as food items collected during our main drives have really dwindled down. Thank you again and may God bless you. ~ Linda and Dave Zick, North St. Paul Area Food Shelf

Thank you for your support of those most in need in our community. Your gift of school supplies given to Interfaith Action of Greater St. Paul is received with gratitude and appreciation. Together we will continue to help families and single women reclaim stability in their lives and move forward toward their goals. ~ Lucy Zanders, Executive Director, Theresa Living Center

Thank you for your generous donation of school supplies to St. Paul Public Schools, Project REACH. We have been partnering with the Interfaith Action School Tools Drive for a number of years and have always been thankful for the assistance. Our families and students who are experiencing homelessness are very appreciative of your support. With much gratitude ~ Project REACH
