## Personal Faith Statement

I hope you were inspired by the confirmands as they shared excerpts from their Statements of Faith. Each month for the next 6 months we will publish two of their statements. Many people have expressed interest in writing or updating their own personal statement of faith. What follows are the highlights of what we cover in Confirmation and Commissioning Class which you could use in formulating or updating your faith statement.

### Statement of Faith

#### Points to Ponder, Scripture, and Questions

Write a paragraph on creation and God's will for your life.

**Points to Ponder:** God created us in God's image, and it was good. In Christ our identity is formed as a child of God and we are united with all believers as a part of the family of God. Each of us is a unique creation of God, with special gifts. God created everything out of nothing; therefore creation is not to be worshiped. God is sovereign and provident.

**Scripture:** Genesis 1 & 2, Exodus 3:1-16, John 1:1-18

**Questions:** What does creation tell us about God in relation to us? Does God love us? Are you a member of God's family? Is God still active in creation today? Are we created in God's image? If God is love and we are created in God's image, then is our deepest need to love and be loved? Is God all powerful to be able to create everything?

Write a paragraph explaining who is Jesus Christ.

**Points to Ponder:** Jesus Christ is God incarnate; fully God, fully human.

**Scripture:** Luke 1:26-38; Luke 22-24; Colossians 1:15-20; Romans 8:31-39

**Questions:** Was Jesus fully God and fully human? Was Jesus fully God in order to give us the gift of eternal life, pay the price for our sins, and show us how much God loves us? Was Jesus fully human in order to identify with us in our struggles, sufferings, and to represent us before God?

Write a paragraph on what is sin.

**Points to Ponder:** Understanding sin. Sin as defined in the Ten Commandments and Sermon on the Mount. Sin is disorder, not being perfect, sins of omission, separation from God, an act of self-betrayal, all have sinned etc. Be careful to avoid legalism. Total depravity. Relate to Prayer of Confession in worship service.

**Scripture:** Genesis 3; Exodus 20; Deuteronomy 6:4-5; Matthew 5-7; Mark 12:28-31

**Questions:** Does Jesus' commandment to love God and our neighbors sum up the Ten Commandments and define sin? Does Jesus command to love God and others include more than just breaking the Ten Commandments? Would it include things we fail to do such as: not defending a classmate that is being teased, not helping a friend, walking by a homeless person, or not spending time with God in prayer?

Write a paragraph on grace and how Jesus saves us from our sins.

**Points to Ponder:** The atoning work of Jesus Christ. Understanding Justification and Sanctification.

**Questions:** Why did Jesus die for us on the cross? How does what Jesus did restore our relationship with God? How is it that God accepts us and pardons us from our sins? Can we earn forgiveness or save ourselves from sin? Is grace the free gift of God's love with no strings attached?

Write a paragraph on the Holy Spirit and the Word of God.

**Points to Ponder:** The work of the Holy Spirit as, prophet, priest, king, and communicator horizontally between believers and vertically with God and Jesus Christ. The concept of the Trinity. The Word of God is Jesus Christ. Scripture and Scripture proclaimed is the Word of God, because it bears witness to the Word Jesus Christ.

**Scripture:** Romans 8:26-27; I Corinthians 6:19-20,12:13; John 14; 2 Timothy 3:14-17

**Questions:** Does the Holy Spirit help you and me understand God and explain God to other people? What is the Word of God? Is it Scripture, Jesus, and the preached word? Did the Holy Spirit have a role in inspiring people to write the Bible or is the Bible just another book? Does the Holy Spirit help us understand the Bible? Does the Holy Spirit connect or unite us with God and other Christians?

Write a paragraph on the church and its mission.

**Points to Ponder:** All believers are saints and are members of the one church universal. Jesus Christ is the head of the one church which unites all believers living and dead. Every person is equipped with unique gifts to carry out the mission of the church to bear witness to God's love for the world in Jesus Christ.

**Scripture:** Matthew 25:37-40, 28:19-20; Ephesians 4:32; 1 Corinthians 12:4-27; Acts 2:37-47.

**Questions:** Is the church a building or a group of believers in Jesus? Do the people of the church have anything in common that unites them? Is the church the only organization that helps people? If not, then what makes the church different than these other organizations? Is the mission of the church to share God's love with everyone?

Write a paragraph on the sacraments i.e. baptism and the Lord's Supper.

**Points to Ponder:** The church celebrates two sacraments: Baptism and the Lord's Supper, which are visible signs and seals of the invisible redeeming grace of God, which the Word proclaims. In Baptism, by the work of the Holy Spirit, a person dies to sin, receives new life in Jesus Christ and is incorporated into the body of Christ. In the Lord's Supper, by the work of the Holy Spirit, we give thanks, remember and proclaim Jesus Christ, receive Christ's sustaining presence, renew our commitment to the Triune God and are united with all believers of every place and time.

**Scripture:** Mark 1:1-11; Ephesians 4:1-6; Romans 6:3-4; Mark 14:22-25; 1 Corinthians 11:23-26; John 6:31-35,47-51

Do we renew our commitment to follow Christ?

**Questions:** Did Jesus do both of the sacraments himself? Is a sacrament a visible sign of God's love and grace? In baptism does the water signify the washing away of our sins? Is baptism a sign that we are a member of God's family? When we celebrate the Lord's Supper, do we remember Christ's sacrifice for us on the cross? Are we nourished spiritually by God's presence with us? Are we united with Jesus and all believers? Do we give thanks for what Jesus has done for us?

Write a paragraph on how you will try to live your life as a disciple of Christ and how you plan to participate in the worship and mission of the church.

**Points to Ponder:** Christian living is marked by servanthood out of gratitude. We desire to follow Jesus' example by offering obedience to God, serving others, and discipleship. Neither the church nor any individual, except Christ, is a perfect example of sinlessness. However, we should constantly be striving to conform to God's will revealed by Christ and witnessed by Scripture.

## **My Statement of Faith**

### **Austin Holweger**

When God created the world, it says it took him seven days. That makes me think of all he created the birds, seas, us, and all the other creatures in the world. The fact he can do so much with nothing at his disposal just amazes me. How he could do it all, and that we are just so little yet he made us in his image that he loved us so much he would give us such an honor.

He also gave us our own talents, so that we can live in this world and take care of it. He gave us all a little something as a gift, to live a good life. Some of us don't know what our talents are yet. But God does. He wants us to use them to help spread peace and his love around the world to help others and to worship him.

God even sent us his only son to help us live our lives and live good ones. He sent his son Jesus Christ, God's first and only son, a carpenter, fully human and fully god. Jesus came to us to help us understand God more and to guide the way. He healed the sick, made the blind see, and even made a man who was crippled, walk. He sent us him so that we might have more faith in him and to spread the Word.

He even sacrificed himself just so we could be freed from the shackles of our sin. He felt the pain of man, was persecuted, spat on, not thinking of himself, but us. Jesus Christ, a man more holy than us, freed us from our debt. That was a debt we should have paid. But God saw that there was still something to save, and because of God, Jesus Christ and the Holy Spirit, we have been saved.

When Jesus died for us, he did it with grace not with hatred in his heart. Grace to me is kindness, gentleness, and trustworthiness, and Jesus was grace that day. He still is and he would do it all again just to save us and to see us as we are today.

The Holy Spirit also helped out a great deal by inspiring and helping those to write the Bible, and to spread the Word and God's name. The spirit also conceived Jesus in the Virgin Mary. Because the Spirit did so, we got faith in God and in the Bible.

The Word is Jesus Christ. He is part of the trinity: Father, Son, and the Holy Spirit. Him like the Holy Spirit helps spread the word of God and bring peace and happiness across the world. But people seem to have more faith now than when they did before Jesus, I think that has something to do with that Jesus is more physical and can be touched and heard. Maybe if Jesus didn't come we still would have worshiped God; but the fact he did and sacrificed himself, showed us that if you have faith you would also join God in heaven.

The people who had faith and believed in Jesus started the church. The church is where people can openly talk about God. They also talk about how they can get closer to God so that they too can be like Jesus and help others.

The church's mission is to help those less fortunate than themselves by donations and comfort. They also spread the Word of God to others trying to help them the best they can in spiritual guidance. They try to set up activities, so they can help as much as they can all around the world to make life easier.

They also baptize babies hoping that they too will also love Jesus. When they get baptized they are spoken for by their parents that they will try to teach their children about God. The parents will take the child to church and help them to try and find God.

We also eat the last supper like Jesus did before he got crucified. When Jesus ate his last meal he ate it with his disciples even though he knew one of them was going to betray him. When we do it, it is to remember what Jesus did when he was alive. All the wonderful things he did to help all those that needed it.

The way I will live my life is to try and help those less fortunate than myself. I will also spread the teaching of the Lord, but I will not force it on anyone. I will let them believe in what they believe. I will also help the community by coming to church, going to work camp to help build house, and going to the Deep Freeze retreat to center with God.

## **My Statement of Faith**

### **Allison Etter**

I believe God created everything from the heavens to the Earth. I believe God created the planets, oceans, stars, sun, trees, animals, dirt and also humans. I believe God created humans special. God gave us a brain, knowledge, feelings, heart, eyes to see, and a mouth to speak. God gave everyone these things but everyone uses them differently because we are all unique. God gave me special gifts and talents that are different from everyone else's. I feel that God wants me to love everyone as God loved everyone.

I believe Jesus is the Son of God. I believe Jesus was born both God and human. I believe Jesus taught people how to live. He taught us how to pray, give thanks, worship God, follow God and live a joyful life. I also believe Jesus died on the cross for us. I believe that if I love Jesus inside my heart and have faith in him, he will give me an eternity with God in Heaven. By dying on the cross for us he took away our sins so we could live life after death.

I believe sin is an act or thought that disobeys any of the Commandments from God, or actions that God frowns upon. I think that murder, bullying, lying, littering, stealing, cheating, not helping others when you should, not sharing with our neighbors, not loving and even not finding forgiveness in my heart are some examples of sin. I believe that if someone sins they often feel bad about it and worry about what God thinks of them for sinning. Sinning could make you feel distant from God, and that's why it is important for people to ask for forgiveness of their sins and to try not to commit them in the first place.

I believe grace is God's love given to everyone regardless of whether we deserve it or not. God always loves us no matter if we sin by our actions, words, or thoughts. Even if someone doesn't love God, God will still love them. When I have a bad day and when I know I've done something wrong like talk back to my parents, I know God will still accept me at my worst and still love me. I believe Jesus saves people that believe in him. I believe that God resurrected him to show us that there is

I believe the Holy Spirit is something you feel. For example, maybe a feeling you get when you're connected with God; or maybe a feeling you get when you're worshipping God. When I went to workcamp last summer, I felt the Holy Spirit after we finished painting our residents' house. I believe the Holy Spirit is part of the trinity of God, Jesus and the Holy Spirit. I believe the Word of God is how one learns about God. I believe you can get the Word of God from scripture, the Bible, through music and by seeing people's actions.

I believe Baptism is one of two events that make you a member of God's family. Water is the symbol of baptism and is used in every baptism. I think it symbolizes your soul getting cleansed or having your sins washed away. I believe the Lord's Supper is symbolic of the body and blood of Jesus. The wine or grape juice is his blood and the bread is his body. When we partake in communion, it reminds us of Jesus dying on the cross for us and our sins.

Some ways I show living my life as a disciple are going to church almost every Sunday to worship God, attending youth group on Wednesdays where I learn about God, and going to Workcamp where we are God's hands and feet for a week. I believe these are some things that are important in the role of a disciple. One way I want to be a better disciple is to be more active in mission work, such as Feed my Starving Children, or help at food shelves. I will also continue to be an active member at North Church where I can worship God with people who are like family to me.

## Notes from...The Kitchen Task Force

A small group will be working on much-needed organizing and streamlining of the kitchen and adjacent store room. The focus will be gathering like - items into one place, scaling down excess inventory, getting things off the floor and countertops, and moving things around to make regularly used items more accessible. If you have any serving containers or food in either location, we ask that you claim those items on or before Saturday, April 6, 2013 from the kitchen cabinets, storage room, refrigerator, freezer, etc.

FYI – glass serving platters have currently found a home in the lower level cabinets across from the coffee maker. We ask for your patience during this process, as many items will be finding new homes. Once this process is completed, all drawers and cabinet doors will be relabeled to properly identify the new inventory locations.

If you have any questions, please feel free to contact Marie Goebel at 651-777-0488 or Janet Schroeder at 651-777-6145. If you would be interested in helping, please contact one of us.

## UPDATE on the North Presbyterian Church 125th Anniversary Cookbooks

The Task force received many mouth-watering recipes; but unfortunately, only 100 were received and some categories only received three to four recipes. The cookbook committee has decided those numbers are insufficient to publish a memorable and cost effective cookbook. A huge thank you to everyone who took the time to handwrite and email your favorite recipes. Please continue to share your scrumptious recipes with your church family at future gatherings.

## **Worship Coordination**

We are blessed to have a vibrant church with lots of groups and individuals eager to be a part of our worship services. We are always striving to give our very best, all praise, honor and glory to God in worship. In worship God is the audience, the pastor is the director and everyone attending worship are the actors for God. Throughout the year we often have several special requests for the same Sunday. We strive to coordinate a schedule that works well for everyone. Please get approval from the Faith Commission and Pastor James if you, or your group, would like to share a worship element such as; minute for mission, ushering, greeting, singing or instrumental music. Also please get approval from the Faith Commission and Pastor James to rearrange or decorate the worship space. Only session approved requests for donations are permitted on Sunday mornings. Please plan ahead in your requests. Commissions meet the first Thursday of the month and Session the third Thursday; therefore, we need all requests at least one month in advance. We greatly appreciate early requests so we can plan a worship that compliments your element. Faith Commission, Staff, and Pastor James are committed to excellent worship. Your involvement is welcome, a joy, and a key aspect of our worship. Please help us incorporate your element into a complimentary worship service.

## **Worship Reverence**

We are blessed to have two distinct worship services to glorify God and a festive fellowship time between worship services. Both worship services share the same Gathering Space. Please honor those who are worshipping by keeping a quiet environment during worship. Conversations in the Gathering Space during either service are often heard in the worship space. Please enjoy conversation in the Fireside Room, Conference Room, or the Entryway. Using the main doors to Meisner Hall during the 9:15 worship is distracting. Any conversation or noise in the kitchen during the 10:45 service is distracting. These are good issues to have as it shows we have a lot happening at church and people are eager to fellowship. We hope by making you aware that noise is distracting some in worship that everyone can find a place for both worship and fellowship. We want everyone to feel welcome, have a place to fellowship, and be able to glorify God in worship.

## **Thank You**

Sincerely,

Linda Zick, Dave Zick

# From the Personnel Committee

## Terms of Call for Pastor James

The Personnel Committee shares the following terms of call for Pastor James. Paul Colton presented the terms of call to the congregation on Sunday, February 24, 2013.

Vacation benefits include 26 days and 4 Sundays a year. The vacation benefits are the minimum that are required by the Presbytery. There are two floating holidays (the day after Easter and July 3<sup>rd</sup>).

Other commitments that require the pastor to be out of the pulpit this year are:

January 20	Deep freeze retreat
February 24	Confirmation retreat
June 23 and 30	Work camp

Each of these days that Pastor James is out of the pulpit require many days of preparation, and requires him to work throughout the of the retreat or work camp. North Church provides 4 additional Sundays for the pastor to worship rather than to lead the worship

Continuing education includes 2 weeks and 2 Sundays which is a minimum requirement by the Presbytery.

A Sabbatical has been established for Pastor James for this year. This is the first sabbatical after 8 years of ministry at North Church. Presbyterian policy supports a 3 month sabbatical after five years of ministry within a church. Pastor James will have a sabbatical from August 5-September 1<sup>st</sup>.

The Personnel Committee is well aware of the potential burn-out problem in a single minister church. The committee wants to have a program for Pastor James that assists him to continue his wonderful leadership and service to this congregation. The Personnel Committee encourages Pastor James to keep Sabbath and God's plan for rhythms, rest, renewal and service.

Thank you to all of North Church servants who assist Pastor James in the ministry of North Church.

A member of the Personnel Committee is happy to discuss the terms of call for Pastor James at any time.
